That to compensate Chefoo for the loss due to speak, for the loss due to the delay on the part of Govt. The Vice-president and president thought that the best thing they could do was to let them have the allowance a week earlier than the date of the Govt. order viz, 7th November 1903. In the president's decket, which formed the enclosure to the Senior Surgeon's letter it was stated that the Health officer recommended that the allowance should be paid from 1st November 1903.

In the preamble of Govt. order No 1527-8 dated the 20th August 04 S.39-03 the date 1st Nov 1903, was therefore discovered and hence the correction now suggested by him, in the above does not seem necessary.

to state that reading this with the Presidents No 38 of the 2nd July 1904 in which the Health Officer is said to have recommended the payments from the 1st November 1903, the preamble of the Govt order No 1527-8 of the 20th August S. 39-03 1904 ~~does not~~ seems to require no correction.

~~The undersigned suggests that the Senior Surgeon should have considered it necessary to make a reference on the point.~~
